Purity Coaching: *Do you or a loved one find themselves stuck looking at pornography? Has it become a secret habit? Have you come to the place where you promise yourself, 'never again', but then find the behavior repeating itself? I have worked as a chaplain in a world renowned sex addiction clinic, wrote the book "Porn Again" and teach an online course called "How to Talk to Your Kids about Pornography". Let's meet for a "Purity Coaching Session" and come up with a road map for life success.*
